# From the Pastor

An Extraordinary Parish for Ordinary People

On Friday of this week, from 7-8.30p, we encourage you to come over to Croghan Hall for a **Meet and Greet with Marianne Tully, our new Interim Principal**. This is a great opportunity, not only for our

school kids and parents, but parishioners too, to have some quality time together before school starts. As you know, our award winning school is the principal apostolate of our parish. The school is the chief means by which our Catholic faith is handed on. Even if you don't have a child in the school, we all have reason to be proud of the achievements of the past and to be eager for the future.

While the school is the primary means of handing on the Catholic faith in the parish, it is by all means not the only. **Maria Barontini, our Pastoral Associate for Children's Catechesis**, runs an incredible program for school aged children who are not in our school on Sunday mornings. You may know of some families who are disconnected from their faith, or do not have a church home. Why not get them involved in our program?

Learning about our faith does not end at graduation, and certainly not at Confirmation. We are life long learners, disciples of Christ who are always deepening our Catholic faith. All year long, **Angela Calabro, our Director of Catechesis and Evangelization**, is offering numerous programs for adults to enrich their faith formation. Keep tuned into the bulletin and social media to keep abreast of the incredible offerings we have in our parish!

## The Assumption of the Blessed Virgin Mary (a Holy Day of Obligation)

Mass Schedule: 7a, 12p-Latin and 7p

Blessing of Herbs will be before 12p & during 7p Mass

This blessing is from the 1964 edition of the Roman Ritual. **The Directory on Popular Piety** mentions states:

*This custom, received into the Rituale Romanum, represents a clear example of the genuine evangelization of pre-Christian rites and beliefs: one must turn to God, through whose word "the earth produced vegetation: plants bearing seeds in their several kinds, and trees bearing fruit with their seed inside in their several kinds" (Gen 1, 12) in order to obtain what was formerly obtained by magic rites; to stem the damages deriving from poisonous herbs, and benefit from the efficacy of curative herbs." (No. 181)*

This blessing of herbs comes from Germany, and formulas for it are found as early as the tenth century! It was reserved only to the feast of the Assumption and includes herbs, cultivated and wild flowers (especially those symbolic to our Lady). The people brought herbs to Church on her feast not only to secure for themselves another blessed object, but also to make of the occasion a harvest festival of thanksgiving to God for His great bounty manifested in the abundant fruits of the earth. The herbs were placed on the altar, and even beneath the altar-cloths, so that from this close contact with the Eucharist, they might receive a special consecration, over and above the ordinary sacramental blessing of the Church.

## total consecration to Jesus through Mary

Total Consecration to Jesus through Mary is a beautiful exercise to increase your spirituality and ability to truly serve our Lord Jesus Christ. The basic premise set forth by St. Louis Marie de Montfort is simply that Jesus came into the world through Mary and that for us to always be assured of being close to Jesus, even closer than ever before, we should go through Mary. Consecration means to set aside for a sacred purpose. Mary's life was set aside for the sole purpose of serving our Lord. By following her example, we, too, can completely give ourselves to Christ in a fundamental way that consecrates us to Him. We give our lives to Him in service and love.

Information Sessions on Total Consecration to Jesus through Mary will be held after the 8a, 10a, and 12noon Mass on Sunday, 6 August, in Croghan Hall. Come have a cup of coffee and learn how consecration can enrich your spiritual life. For questions, contact Lisa Buss.

**suggested title:** *How to Bring Fallen Away Catholics Back to the Church*

What is evangelization all about? What role does the Church expect ordinary Catholics to play in spreading the Catholic Faith? Dr. Scott Hahn, author and renowned theologian, challenges cradle Catholics to witness to the Faith through everyday life. He presents proven and effective ways to touch those who have fallen away from the Church, even those with the most hardened of hearts.
