Letter from our Pastor

An Extraordinary Parish for Ordinary People

Dear Friends in Christ,

Please remember that to be considered a registered, active and contributing parishioner, one has to not only register but financially contribute to the parish by means of electronic fund transfer, which more and more people find the easiest way to give, or by dropping cash or check in specially provided envelopes. The envelope system tracks both Mass attendance and giving. We have parishioners who sometimes find themselves for short or longer periods unable to give, but they still drop their envelope in the basket, to show that they were here. Every year, we look at those who are registered in the parish, and if there is no discernible activity via EFT or envelopes, they are contacted to see if they still consider themselves active. If we receive a negative response or none at all, they are reduced to inactive status.

We also have parishioners who come to Mass faithfully and are actually quite generous contributors to the weekly offertory through cash, but who have reservations about being tracked in any way. Often they will be in contact with the parish administration, so we know who they are, and we do not mark them inactive.

The envelope system is an imperfect way to ensuring Mass attendance and giving, but it is a very near universal one in churches of all sorts. In the Catholic Church, there are numerous reasons why we highly encourage using the envelope system to mark Mass attendance and giving. First of all, in order to serve as a godparent or sponsor for baptism or confirmation, Catholics have to send a letter from their parish that they are registered, active and contributing members of their local parish. When a parishioner chooses not to come to Mass or give in a way which is objectively verifiable, the parish has to write a letter to the parish requesting the information that we have someone who is registered but does not show any discernible activity. Please do not think, "well, Father sees me and knows who I am," because the letter is not based on the memory of the celebrant, but what is in the database.

Also, to be married in the Catholic Church, most parishes require that Catholics be active, registered and contributing parishioners to even start the marriage preparation process. As with the above scenario, parishes cannot write a letter to say that this is the case if the use of the envelope system is not discernible. Most parochial schools also give a discount to active, registered and contributing parishioners. At Prince of Peace, that discount is only given when it can be proven that the person receiving the discount is using the envelope system 75% of the time to attend Sunday Mass. Our school does not require an average dollar amount for the envelope, but many schools have a range or a minimum.

According to canon law, a parishioner is defined as the baptized within the boundaries of a particular territory, or registered as such in a territorial or what is called a personal parish. At Prince of Peace, we have registered parishioners from all over the place. But to be considered active and contributing, which is necessary for enjoying several other benefits of membership, the envelope system is the best means of doing so.

If you consider Prince of Peace your spiritual home, we encourage you to register, but also to use the envelope system regularly, as well as prayerfully discerning your weekly and capital contributions via EFT. Maria Rauch, the Parish Secretary, and Phil Head, Director of Administration, in the Parish House are always willing to answer any questions you may have in this regard.

annual fund—parish school

We're dreaming of **Building a Bright Future** at Prince of Peace Catholic School!

Private schools across the country depend on the generosity of donors to maintain competitive tuition rates while advancing their respective missions. This year, tuition and fees cover approximately 81% of the education cost per student. The remaining 19% comes from fundraising efforts. Our major fundraising efforts are through the Annual Fund and POPArt Party (annual gala).

The Annual Fund represents a sum of money donated to the school by its constituents that provides essential support for daily needs. Beyond supporting our operating budget, we also have a wish list that includes necessary upgrades to safety and technology, improvements to our online and classroom curriculum, a butterfly habitat, and more. With your help, it is our goal this year to raise \$45,000 and achieve 100% participation, regardless of the size of gift, across families, faculty and staff. With 100% participation, we're best able to apply for grants and matching gifts. To that end, every gift of any size matters! Students, teachers, faculty, and staff are all blessed by your generosity.

Donors are recognized at the level of their Annual Fund giving. Prince of Peace Catholic School is a qualified non-profit under IRS code 501c3. A tax receipt will be provided upon receipt of your donation.
