Letter from Fr Smith

An Extraordinary Parish for Ordinary People

Dear Friends,

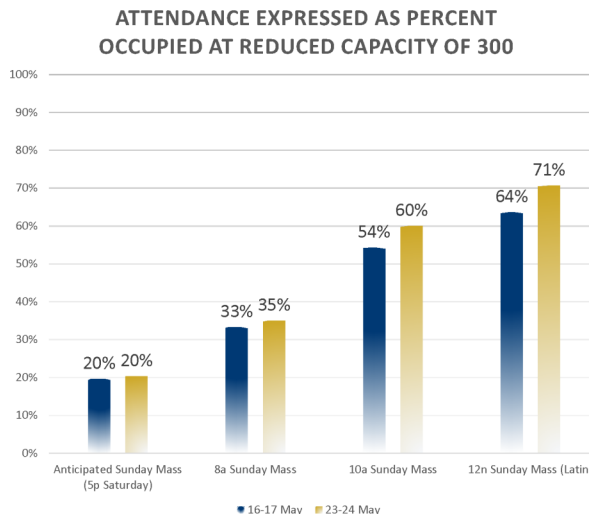

We have survived the first 2 weeks back after COVID-19 quarantine! I can't tell you how humbled and grateful I was to see so many of you come back to Mass and receive Our Lord in Holy Communion after so long apart. I am also very proud of how you have continued to support your parish financially during this time so that we will be able, hopefully, to resume normal operations soon at 100% without missing a beat. Let us continue to pray for an end to this plague, for a return to normalcy, for healthcare workers and caregivers and for the repose of the souls of those who have died.

As of this writing we are held to 25% capacity for the church, which is about 300 people according to the fire marshal's computation. Every other pew is blocked off, and we have some amazing volunteers who are sanitizing the church after every Mass. We are having Low Masses without music or homilies at this stage, and Communion is administered after Mass at the side altars. If I feel any contact with a person while administering Communion, I will stop to sanitize my hands. Of course, you are individually welcome to ask me to sanitize prior to receipt of Communion, as an additional safeguard.

Now, of course, the obligation to attend Mass is still lifted until further notice. If you are showing any symptoms of any illness, please stay home. If you are in a high risk category, please stay home. But, we do have room for more at any Mass. If you aren't sure about venturing back to Sunday Mass, then check us out during the week! It's a slow crawl back to normal, and I thank you for your patience. Please consider wearing a mask and gloves in church, and be respectful of the six feet social distancing guidelines. Only the main door is open during Mass so you don't have to touch a door entering or exiting.

Speaking of thank yous, I am particularly indebted to Kylee Heap, our volunteer Director of Communications, and Phil Head, the Director of Administration, who have worked tirelessly to keep us all connected and the place running during this time. Their work has been invaluable. We are continuing to do some online ministries, so keep checking the website to join us.

Well before this crisis, we were exploring how to expand our ability to broadcast Mass from the main church. There are a number of logistical, financial and equipment supply issues with this, and we are not going to be able to get it all locked in by June, when we hope to have all the Masses up and running as normal in the church. **(continued)**

Letter from Fr Smith (continued)

An Extraordinary Parish for Ordinary People

(continued)

Our financial situation is better than I hoped for, which shows my lack of faith in the Lord! This is a great time to go to our website and sign up for online giving through Tithely (link), where you can administer your donations to the weekly offertory as well as other worthy projects in a very easy and secure manner. You're still welcome to mail in checks or deposit them in the offertory baskets in church, as well. Thank you, thank you, thank you.

Please check in on each other, and if you feel there is someone out there who could use a check in from me, please email me so I can reach out. I am still visiting the sick as requested, and otherwise trying to keep up social distancing and quarantine, as well wearing protective equipment for Holy Communion, so I have a greater chance of being here when you need me! Fr Tomlinson is coming back at the end of the month, and the poor man is driving back from New Jersey to avoid airplanes and airports so he can get back to work.

When we get the green light to open at 50%, we will celebrate Mass again at the altar of sacrifice instead of the High Altar, and we will then reintegrate altar servers, music and extraordinary ministers as they are available. Communion will probably still continue to be after Mass until we are at 100%. Please remember that I can also only distribute Holy Communion if I have proper protective gear, and if I run out, I will have to stop. So if you have gloves to spare for me, please bring them when you come to Mass so I can continue.

Some people are surprised to see me taking such precautions, especially when other priests are not. I decided to do so after consultation with health care professionals in the area and my spiritual director, who is also a hospital chaplain. Because I am still coming into contact with the sick and large numbers of people, I need to protect you as much as I can. You may be surprised to hear this, but the main reason that I spend so much time exercising is not because I actually like going to the gym. I have developed various heart issues over the last few years brought on by stress, and my whole life I have been particularly susceptible to respiratory illness, as many of you have witnessed. With a compromised immune system, I have to take greater precautions than you might realize. But I also do not want to live in fear for the rest of my life, and want to get back to normal like the rest of you. So if I die, just give me a nice funeral!

We have taken the opportunity to get some needed work done in the buildings and on the grounds. There's more to do, and an eye toward financial responsibility has made us postpone some things. We are still on track to do the lighting upgrade, which is absolutely necessary to do anything in the church and Parish House, but there is no timeline on that yet. The school situation was looking incredibly great before all of this, but the financial situation of some of our parents and the possibility of contracting enrolment next year because of the economy has meant a severely restricted budget for next year.

I do hope to see you at Mass soon. I have really missed the normal life of the parish, and I am grateful for your support during this time. Please reach out if you need to, or even if you just want to talk. We're all in this together. On Saturday, 30 May, at the 5p Vigil of Pentecost, we will celebrate Baptisms, Receptions into the Church and Confirmation for new converts to our Catholic Christian faith. That's always a great sign of hope, and I am delighted they are all coming into the Church at this time! This week, as we wind down the weirdest Lent and Eastertide I have ever experienced, let's give thanks to God for the gifts He continues to give us!
